COMMUNITY IMPACT

"Because we had these funds to cover the cost of food, we were able to use other funds we had to focus on rental assistance. We were able to help two families in the month of December with rent and another eight families with gas cards and auto repairs. In one individual's case, we were able to help with food assistance and a car repair that allowed him to keep his job which was in jeopardy due to his lack of reliable transportation."

"The funds received were used to purchase groceries for families providing foster or kinship care in our county."

"Thanks to community partners like United Way we can continue to provide relief where we feel people were hit the hardest during the pandemic - on their kitchen tables."

"We were able to use the funds to provide men with supplies while they were quarantined via our hotel voucher program awaiting their COVID test results."

"While many have lost their jobs due to COVID-19, the United Way Manitowoc County COVID-19 Basic Needs Relief Fund: Phase 3 Grant helped Ascend keep our Mobile Work Crews employing individuals with exceptional abilities in the community - safely."
